

The city's office of Economic Development aim is to foster commercial and industrial development in Niagara Falls. We will work with you every step of the way by:

- Providing technical support and assistance to firms seeking to start, expand or relocate to the City of Niagara Falls
- Provide economic information and technical assistance required by investors from the inquiry phase to the successful completion of a new project
- Seek to assist established companies to retain jobs, create jobs and encourage investment
- Assist with site selection, maintaining an inventory of available buildings and sites
- Develop efficient funding sources for potential economic development projects
- Work with local business associations to ensure needs of businesses are addressed
- Assist Minority and Women Business Enterprise

N.F.C. Development Corp. Assistance Programs Include*

- Direct Loan Program
- Micro-Enterprise Assistance
- Downtown Tourism Program
- Commercial Grant Assistance Program
- Industrial Assistance Program
- City Wide "Green Initiative"
- Mixed Use Rental Rehabilitation Program

*Dependent upon available funding-
