- Wellness allowance, education allowance, safety shoes, and uniforms.
- 15 days off a month with our 12 hour shift rotation that includes holidays and weekends

Cascades is a global innovator and manufacturer of green products branching out to facilities across North America and Europe. The company's history is built upon passion, talent and a strong commitment to sustainable development. Above all, Cascades is the collective force of more than 12,000 highly respected individuals who are empowered to succeed as one.

GREENPAC MILL LLC

Greenpac Mill is a new state-of-the-art linerboard mill created by Cascades and three other partners. The mill is operated by Cascades Containerboard Packaging. Cascades envisions the Greenpac Mill to be a **World-Class Paper Mill** that will match the highest standards of the packaging industry across North America. If you are looking for a progressive organization focused on high performance, self-directed work teams, in alignment with start of the art operation and equipment, this is an opportunity for you.

PRODUCTION TECHNICIAN

YOUR CHALLENGE

What we look for:

- **Safety:** Must show a commitment to an interdependent safety-first attitude
- **Positive Attitude:** Consistently display positive behavior that supports the organization's goals and objectives.
- **Mechanical skill:** Must be mechanically inclined and understand mechanical principles
- **Endurance:** This job entails bending, walking, lifting, and climbing throughout the shift.
- **Team Work:** Ability to work independently and in a team empowerment culture.
- **Adaptability:** Highly flexible with the ability to adjust to the demands of the job, produce high quality work, and can be depended on to complete assigned tasks. Must be a self-starter.
- **Communication:** Ability to communicate well with others and able to lead team meetings.
- **Other:** Applicants must pass background check, physical/drug screen.
- **Hours:** Must be available for rotation shifts, overtime, and job family rotation

YOUR QUALIFICATIONS

- Education: High School Diploma
- Experience: Some manufacturing experience and consistent work history preferred
- Strong computer skills and competency in Microsoft Office
- Superior attendance record
- Excellent safety record and mentality
- Self-directed; works well with minimal supervision
- Ability to multi-task
- Adaptable to changes and forward thinking mindset
- Continuous improvement mindset.
- Papermaking experience and/or Forklift experience is a definite plus.
