

ENERGY CONSULTANT – WILLIAMSVILLE, NY

National Fuel is currently seeking an **Energy Consultant** for an outstanding career opportunity in our Energy Services department located at our corporate headquarters in **Williamsville, NY**. As a member of the National Fuel team, you will enjoy an exciting and challenging work environment where top performance is recognized and rewarded.

PRIMARY RESPONSIBILITIES:

This position is responsible for the administration of various NY marketing programs including:

- Gas Network Enhancement Program (GNEP) – this program offers incentives for the expansion of our natural gas pipeline system to new residential customers who are currently not using natural gas
- Residential Marketing Trade Ally Program (Contractors, Appliance Dealers and Builders) – this program promotes natural gas appliances such as furnaces, water heaters, clothes dryers and ranges to businesses that sell or install them in residential homes
- Residential and Non-Residential Conservation Incentive Program (CIP) – this program offers rebates to homes and businesses to install high efficiency natural gas appliances and equipment
- Natural Gas Vehicle (NGV) Marketing Program – this program promotes the awareness and use of natural gas to businesses with large commercial fleet vehicles through offering incentives for the purchase of new vehicles and/or the building of new natural gas refueling stations

MINIMUM QUALIFICATIONS:

- Bachelor's degree in Business Administration, Marketing or related field
- Strong analytical, communication, training and presentation skills are required
- Exceptional interpersonal skills for working with residential customers and trade allies
- Advanced level Microsoft Office (Word and Excel) skills
- Requires occasional day travel within the New York service territory

PREFERRED QUALIFICATIONS:

- Knowledge of HVAC and/or natural gas equipment/appliances is desirable, but not required
