

FIELD SERVICE AND CONSTRUCTION SUPERVISOR – WESTERN NEW YORK

National Fuel Gas Company (NYSE:NFG) is a diversified energy company with its headquarters in Williamsville, New York. National Fuel Gas Distribution Corporation, the Utility segment of National Fuel Gas Company, is currently seeking a **Field Service and Construction Supervisor** for an outstanding career opportunity at one of our **Western New York** Servicenters. As a member of the National Fuel team, you will enjoy an exciting and challenging work environment where top performance is recognized and rewarded.

Primary responsibilities for the **Field Service and Construction Supervisor** are to plan, schedule, and inspect the work of employees engaged in installation, maintenance, and service work at customer's homes and businesses. Daily responsibilities include the following:

- Front-line direct field supervision of hourly construction and customer service employees
- Planning of work orders to be completed along with time management and productivity analysis of field personnel
- Scoping and estimating of daily, routine, system operating/maintenance and pipeline installation projects within the defined service territory
- Regular contact with customers to resolve gas service issues and to ensure appropriate customer service levels
- Coordination of daily emergency response logistics

An Associate's degree is required. A Bachelor's degree is preferred. Concentrations in Engineering, Engineering Technology or Construction Management are preferred. Mechanical aptitude and the ability to troubleshoot technical issues are required. Candidates must possess exceptional time management skills and the availability to cover rotating emergency assignments. The ability to interface well with others, communicate with supervisors, customers and field personnel and work within a team environment is essential. Demonstrated supervisory capability and the ability to quickly solve problems is required. Any candidate offered a position with National Fuel will be required to successfully complete a pre-employment drug test. A valid driver's license along with a clean driving record is required.

National Fuel offers a competitive salary and a comprehensive benefits package. For confidential consideration, please submit your resume and cover letter by September 7, 2017 to:
