

SYSTEMS AND STORAGE ADMINISTRATOR – WILLIAMSVILLE, NY

National Fuel's Information Services organization is currently seeking a Systems and Storage Administrator for an outstanding career opportunity at our headquarters in Williamsville (Buffalo), NY. As a member of the National Fuel team, you will enjoy an exciting and challenging work environment where top performance is recognized and rewarded.

The successful candidate will provide technical support as part of our Information Services Enterprise Operations group. This includes design, maintenance, and troubleshooting of centralized storage infrastructure: storage area network; tape subsystem; and enterprise storage subsystem. In addition, the successful candidate will be responsible for a variety of IT Operations responsibilities such as data backup and replication, disaster recovery planning and testing, batch job scheduling and monitoring, and managing file transfer processes. The successful candidate will be working with other technical support personnel, both Company employees and contractors.

Candidates must possess a minimum of a Bachelor's degree. Concentrations in Computer Information Systems, Management Information Systems, Computer Science, or a related field is preferred. Five or more years of technical support experience is required. Prior exposure to IBM storage technologies and/or IBM's Spectrum Suite (formerly Tivoli storage) is strongly preferred. Candidates must demonstrate initiative and professionalism, excel in a cooperative team environment and possess excellent interpersonal, communication and problem-solving skills. Strong analytical skills and the ability to coordinate multiple projects are essential to succeed in this position.

National Fuel offers a competitive salary and a comprehensive benefits package. Any candidate offered a position with National Fuel will be required to successfully complete a pre-employment drug test. **For confidential consideration, please submit your resume, cover letter and academic (college) transcripts by August 23, 2017 to:**
