EXPERIENCE:

- 2/17 – Present **HHA** Mount View, Lockport, NY
Assist residents with the following Activities of Daily Living according to their plan of care, individual needs, and care preferences: Bathing, Dressing, Eating, Exercise, Housekeeping, Meal Preparation, Ambulation, Laundry, etc. Take vital signs and weigh residents as assigned. Communicate daily with nurses and notify supervisor of changes in residents' conditions or needs.
- 1/13 – 05/17 **CNA** Northgate Healthcare Nursing Home, North Tonawanda, NY
Performed all phases of daily patient monitoring and care for up to 12 residents including feeding, bathing, dressing, blood pressure readings, measuring fluids, transporting patients, recording daily patient activity reports in a computer database. Utilized Hoyer lifts to move patients. Assisted residents playing games and creating crafts, escorted residents to activities and appointments. Assisted residents with range-of-motion therapy and provided daily care to patients recovering from surgeries
- 2/12 – 1/15 **Resident Care Worker** Family and Children Services, Niagara Falls, NY
Answered inbound phone calls from individuals experiencing domestic violence. Recorded the circumstances regarding the problem and scheduled individuals to enter and reside at the shelter
- 4/08 – 7/11 **CNA** Fairchild Manor, Lewiston, NY
Performed all phases of daily patient monitoring and care; feeding, bathing, dressing, blood pressure readings, measuring fluids, transporting patients, recording daily patient activity reports, range of motion, etc. Recorded intake and out-take information, utilized Hoyer lifts to move patients. Assisted residents playing games and creating crafts, escorted residents to activities, dining and appointments. Assisted residents with personal daily care/hygiene activities.
- 8/07 – 9/08 **HHA** Brookdale Senior Living, Wheatfield, NY
Provided daily care to residents in an assisted living setting as detailed above.
