

RESUME ID #121

OBJECTIVE

Highly motivated, dedicated, and results-driven professional to secure a position with your company as
a Manager, Supervisor, other key position in Manufacturing, Logistics, Warehouse Operations, or as applicable utilizing my skills, training, and experience

SUMMARY OF QUALIFICATIONS

- Over 10 years' experience in several managerial roles in overseeing operations in production, warehouse and logistics, supervising up to 30 workers in 2 different departments for a manufacturing facility producing commercial truck/transportation brake shoes and axles, ensuring that daily quotas and objectives were consistently met and/or exceeded with highest accuracy while enforcing safety at all times
- Proficient with all aspects of workforce development including interviewing, hiring, training/mentoring, delegating work orders, monitoring all work activities for quality, expediency, safety and proper employee/employee interactions, conducting performance evaluations, implementing disciplinary measures, and terminations
- Experienced retaining quality employees through sound Team Building concepts, excellent communications, and respected leadership skills, guiding and directing individuals to maximize performance, productivity, and personal potential
- Designated by upper management to provide comprehensive training to all production and warehouse personnel, mentoring and updating individuals for new developments in systems, procedures, and protocols
- Over 20 years' experience in a production and assembly setting in the automotive manufacturing industry, assembling brake parts and components, monitoring robotics and other equipment, and consistently meeting or exceeding all daily quotas and objectives
- Familiar adapting lean manufacturing quality assurance principles and techniques (ISO: 9001) and personally recognized/credited for specifically identifying and eliminating waste, improving efficiency, and reducing costs
- Utilized as a trusted and knowledgeable resource, the "go-to" professional, regarded highly by peers and upper management, providing objectivity, clarity of thought, trusted for developing well-informed decisions, and resolving complex issues into achievable action plans when others cannot
- Fully trained and compliant with all OSHA safety regulations as well as Lock-Out/Tag-Out and confined space protocols and procedures
- Operates forklifts, overhead cranes, pallet jacks, shrink-wrap equipment, and more
- Strong communications, analytical, math, detail-oriented, and problem-solving skills
- Multi-tasks effectively, learns new systems quickly, and completes projects on-time or ahead of critical deadlines
- Experienced using computers, Windows, Internet research, and email
- Works well independently or collaboratively in a team environment

PROFESSIONAL EXPERIENCE

06/97 – 12/17

Supervisor / Heat Treatment Technician

Brunner's International, Inc., Medina, NY

- Supervised up to 30 production workers into separate departments, fabrication and pressroom, in the production of brake shoe parts and components, ensuring quality and expediency, delegating work assignments, providing guidance and motivation, and performing various inspections to make sure that all parts and components were manufactured to clients' precise specifications before such parts were forwarded to other production/assembly workers
- conducted pre-work meetings in collaboration with other department heads including upper management, engineers and or production staffs, to discuss status of production runs, implement plans for future runs, and address issues and concerns to be resolved, such as product quality, manpower, logistics, equipment malfunctions and repair schedules, safety, and more
- As a heat treatment specialist, was responsible for all stages of heat treatments to parts and components, subjecting parts in ovens up to 2500° F, and repositioning such parts in staging areas to cool prior to subsequent assembly-line activities
- promoted to the supervisor position based upon industry knowledge, production expertise, work ethic, and other performance metrics

EDUCATION, TRAINING, AND ACHIEVEMENTS

Diploma, 1997

Royalton Hartland High School, Middleport, NY
