Please bring your resume and come prepared to interview

Due to a recent expansion in services, we are looking for individuals who are passionate about helping others and are dedicated to making our community a great place to work, live and play.

We will be adding the following members to our team:

- **Office Assistants (multiple openings, full time & part time)**
- **Office Managers (multiple openings, full time)**
- Licensed Clinicians
- Care Coordinators (Clinical and Health Home)
- *Sr. Crisis Clinician (Per Diem)*

If you have an AS, BA/BS or Master's degree in a human services related field and one to three years of experience working in the human services field, are eager to training and support in providing services in a best practice model, we encourage you to consider joining our team.

Spectrum Health and Human Services is a growing and highly respected not for profit agency committed to providing the highest quality integrated behavioral health care for those we serve. We offer competitive compensation, benefits and a work environment that supports and encourages excellence. If you have a genuine desire to help individuals make positive changes and create a happier, healthier life, please apply at shswny.org.
